Progressive Dinner Deadly Feb 26 2021 Who wants chips and dip when they can have Dickens and Twain? To the residents of the sleepy town of Bradley, North Carolina, hardworking Jill Caulfield seemed beyond reproach. She volunteered at the women's shelter, worked at the church preschool, cleaned houses for extra money, and actually enjoyed yard work. And she was nothing less than a saint to cheerfully put up with her unemployed, skirt-chasing, boozier of a husband. When intrepid octogenarian sleuth Myrtle Clover caught Jill, her new housekeeper, peering into her medicine cabinet, she should have been upset. But discovering that Jill wasn't such a squeaky-clean goody-goody made her vastly more interesting in Myrtle's eyes. Myrtle would have happily continued figuring out what made Jill Caulfield tick. If Jill hadn't foolishly gone and gotten herself murdered, that is.

A Summer of Surprises Aug 03 2021 A delightful beach read about a young woman's personal growth as she finds new love and deals with one family surprise after another! Jill Conroy is tricked by her sister into becoming the housekeeper and cook for the summer at Seashell Cottage where Greg Campbell and his nephew, Brody, have been hired to do maintenance projects on the house. Annoyed at first, Jill soon realizes how wonderful it is to be away from her home in New York and the memories of her deceased, emotionally abusive husband. Soon the

magic of the beach heals Jill enough for her to decide to move to Florida permanently to make a new life for herself. Her part-time work at a summer camp and the promise of a new job as a third-grade teacher in the fall make it seem as if her future is set. But a visit from her sister, followed by her mother, reveals secrets that surprise them all. Jill learns to accept the idea of love not only from Brody but from his daughter, Kacy, as the summer brings even more surprises. The Scandalous Ecstasies of the Statuesque Sensationalists
2021 When the faded Australian 1960s girly-pop idol Jill St. Brandelis accepts the flirty-eyed advances of a passionate London fan, tabloid dishonor and two fatalities are the shocking upshot of their wretched romantic misadventure. The outrageous particulars behind the appallingly sensationalist tabloid headlines are blushingly recounted in candid detail by Jill's still remarkably beautiful big sister, the fabled 1960s pop culture icon Pill Strathspey.

The First Wife Oct 05 2021 I moved closer to the little girl, afraid that our voices would be caught by the monitor. 'What happened to you, Lucy? Can you tell me?' When Sophie's life falls apart, she accepts an invitation from a childhood friend, Caroline, to visit her family's beautiful beach house, situated at the mouth of an isolated cove, miles from the nearest town. The silence is broken only by the rhythmic crash of the waves against the jagged black rocks below. But when Sophie arrives, she finds her friend much changed. Caroline – who used to be so warm and confident – is secretive and on-edge, spending long, unexplained hours away from her family. And then there's Caroline's little daughter Lucy – who stopped speaking soon after they moved in. Caroline assures Sophie that it's only a phase, but Sophie thinks Lucy looks a little uncared for, a little afraid... Then one night Sophie is woken by a scream and runs to find Lucy, out of bed and at the attic window, staring in terror at the view below. When Sophie goes to look, her blood runs cold... What secrets hide behind closed doors in this isolated house by the sea? A compelling domestic drama from the USA Today bestselling author of Gracie's Secret. Out of This World Jan 20 2023 Um, so get this: Three weeks ago I, Rachel Bond, inherited a bed-and-breakfast. In Alaska. Just this

morning I was in my warm bed in LA but now here I am, up north--and this is way north, like nosebleed north--sorting it all out. So: Pros:

1. Bears and wolves and moose and whatever else can't be any worse than LA guys. 2. You know how people talk about "starving artists?" I'm gonna faint. So it's probably time for a change. 3. My good friend Kellan--you'll like him, unlike moi he's calm and cool under pressure--suddenly has this animalistic sexiness I've never even seen before. 4. Give me a minute. I think the "Cons" are going to be a lot easier. Cons: 1. Alaska. Did I already mention this? Which means: a. Snow--lots b. Cold--very c. Coffee shops, movie theaters, or what I like to think of as "culture"--not a chance. 2. I can't even manage my checkbook--so a B&B is probably going to be a disaster. 3. The house chef can't cook, and the guide can't read a map. 4. Kellan's sudden hotness is getting very hard to ignore. 5. I just got hit by lightning.

He dressed in designer suits, drove a flashy red sports car and owned a house that looked like a museum. Trevor didn't do relationships. He preferred to date glamorous, experienced women whose only thought seemed to be the next bauble he could bestow upon them. Lovely Kate Middleton hid her looks behind a pair of glasses and dull, unflattering clothes. She was an innocent, a woman with standards in a modern era which seemed to have little. Kate accepts the job as Trevor's assistant, because she is almost penniless. Horrified by Trevor's carefree lifestyle, Kate sets about reforming her new boss. Although Trevor resists at first, there is something beguiling about Kate, something which compels him to pursue her and perhaps, make her surrender. Unfortunately, by winning Kate, Trevor may very well find himself entrapped as well.

Christmas House May 20 2020 With the discovery of life supporting worlds, people began to travel into space. Many of them were strong willed adventurers, independent minded, or simply desperate. The government of Earth continued to run the lives of millions of people through the iron handed control of the Navy. Instead of allowing the new worlds to build autonomy they held them with unbearable taxation and by stripping away their natural resources. Henry MacCauley James and a selected group of blockade runners, smugglers, cutthroats, ex-soldiers, and revolutionaries, join with an aging Earth Senator in a desperate scheme to bring freedom and independence to the new planets of known space.

The Currency of Love Jan 28 2021 "This page-turning memoir of decadence and faith will resonate with seekers everywhere."

—Publishers Weekly (starred review) In this courageous and inspiring memoir about personal freedom and spiritual empowerment, Jill Dodd "writes earnestly and refreshingly about learning many of life's more difficult lessons the hard way" (Kirkus Reviews) through her journey

from Paris model to Saudi billionaire's harem wife to multi-million dollar business entrepreneur. In the 1980s, Jill Dodd determined that her ticket out of an abusive home was to make it as a top model in Paris. Armed with only her desire for freedom and independence, she embarks on an epic journey that takes her to uncharted territory—the Parisian fashion industry with all its beautiful glamour and its ugly underbelly of sex, drugs, and excess. From there, Jill begins an eye-opening adventure that includes trips to Monte Carlo, sexual exploitation, and falling in love with one of the richest men in the world, agreeing to become one of his wives—until she finds the courage to walk away from it all and rebuild her dreams. *The Currency of Love* is a raw, honest, and inspiring portrait of a young woman's struggles and triumphs from fashion model to Saudi billionaire's pleasure wife to founder and creator of global fashion line, ROXY. This modern memoir with a feminist fairy tale twist reveals how one woman chose to live her life without forfeiting her independence, ambition, creative expression, and free spirit, all while learning one invaluable lesson: nothing is worth the sacrifice of her integrity, inner peace, and spirit.

Ladies League Front Nine ____ Jun 01 2021 It was a nine-hole ladies league these four women had joined because of the game, and because of their personal agendas. None of them had any idea what was going to await them either on or off the golf course. Beverly and Jill had known each other in college. They were surprised to find each other thirty years later. Both of them had become widows and were struggling to regain purpose, strength and identity. Diane found herself not any longer being needed as a wife and mother. She knew she was at a cross roads in her life, and her friend Beverly told her she should join the golf group. She had never played the game before, but was certain because of her basic athletic ability that she would not have any difficulty picking up the sport. Joanna was a strong, independent woman who commanded the respect of both men and women. She had left the County Prosecution office to start her own law firm. She had aided both Jill and Beverly with cases against the county and the state, bringing victory to both of them. None of them realized on the first day of league play how inextricably their lives would be woven together. None of them knew how deep their friendships would grow.
