He is directly involved with SOLIDWORKS every day and his responsibilities go far beyond the creation of just a 3D model. “Leonard’s durable tome (seriously, the cover is rubber) is stuffed with so many tips about surviving in the wild, you’ll be able to leave your smartphone behind.” —Entertainment Weekly, Best New Books This easy introduction to outdoor life will ensure that even a novice won’t get lost in the woods while finding an activity he loves to do in the great outdoors—whether it’s hiking a 14er or camping on ice.
