Things I Learned from Falling Jan 10 2022 An inspirational and gripping first-person account of determination, adversity and survival against the odds. 'What a story; never heard a story like that before' - Chris Evans 'Uplifting and brave' - Stylist 'A riveting account of loneliness, anxiety and survival' - Cosmopolitan 'A vibrantly physical book' - the Guardian 'Claire Nelson relives a life-changing four days' - The Times In 2018, Claire Nelson made international headlines. The relentless pace of work, social activity and striving to do more and better in the big city was frenetic and stressful. Surrounded by people, Claire was increasingly lonely - and beginning to burn out. When the anxiety she felt finally brought her to breaking point, Claire decided to take some time out and travelled half-way around the world to clear her head. What happened next, on a hike in California, was something she could never have anticipated. Things I Learned from Falling is an incredible story of courage, determination and survival against the odds. Utterly gripping and profoundly moving, this inspirational memoir reminds us all how easily life can go off course, how simply we can lose touch with the truly important and that - even when we are utterly broken - we can be made whole again.

Born Fighting Jul 04 2021 More than 27 million Americans today can trace their lineage to the Scots, whose bloodline was stained by centuries of continuous warfare along the border between England and Scotland, and later in the bitter settlements of England's Ulster Plantation in Northern Ireland. When hundreds of thousands of Scots-Irish migrated to America in the eighteenth century, they brought with them not only long experience as rebels and outcasts but also unparalleled skills as frontiersmen and guerrilla fighters. Their cultural identity reflected acute individualism, dislike of aristocracy and a military tradition; and, over time, the Scots-Irish defined the attitudes and values of the military, of working-class America and even of the peculiarly populist form of American democracy itself. Born Fighting is the first book to chronicle the epic journey of this remarkable ethnic group and the profound but unrecognised role it has played in shaping the social, political and cultural

landscape of America from its beginnings through to the present day.

Nothing Lasts Forever (Basis for the film Die Hard) Apr 20 2020 High atop a Los Angeles skyscraper, an office Christmas party turns into a deadly cage-match between a lone New York City cop and a gang of international terrorists. Every action fan knows it could only be the explosive big-screen blockbuster Die Hard. But before Bruce Willis blew away audiences as unstoppable hero John McClane, author Roderick Thorp knocked out thriller readers with the bestseller that started it all. A dozen heavily armed terrorists have taken hostages, issued demands, and promised bloodshed — all according to plan. But they haven't counted on a death-defying, one-man cavalry with no shoes, no backup, and no intention of going down easily. As hot-headed cops swarm outside, and cold-blooded killers wield machine guns and rocket launchers inside, the stage is set for the ultimate showdown between anti-hero and uber-villains. Merry Christmas to all, and to all a good fight... to the death. Ho ho ho!

A Technique for Producing Ideas (thINKing Classics) Apr 01 2021 THIS BOOK has become essential reading for anyone-whether in marketing, advertising, sales, finance, or the pure artist-who is seriously interested in the creative business of generating good ideas. It is a concise, clear, but above all practical book, and all those willing to put forth the mental energy to read, understand, and-most importantly-implement its instructions will be richly rewarded. I hope you'll find this to be an amazing gem and another appropriate inclusion in the thINKing cata-logue. I've read its words and absorbed its teachings many times and finally had the wisdom to implement its lessons.

Schooled Nov 08 2021 Capricorn (Cap) Anderson has never watched television. He's never tasted a pizza. Never heard of a wedgie. Since he was little, his only experience has been living on a farm commune and being home-schooled by his hippie grandmother, Rain. But when Rain falls out of a tree while picking plums and has to stay in the hospital, Cap is forced to move in with a guidance counselor and her cranky teen daughter and attend the local middle school. While Cap knows a lot about tie-dying and Zen Buddhism, no education could prepare him for the politics of public school. Right from the beginning, Cap's weirdness makes him a moving target at Claverage Middle School (dubbed C-Average by the students). He has long, ungroomed hair;

wears hemp clothes; and practises tai chi on the lawn. Once Zack Powers, big man on campus, spots Cap, he can't wait to introduce him to the age-old tradition at C-Average: the biggest nerd is nominated for class president—and wins.

New Cardiff May 22 2020 As a discerning reader of nineteenth-century American fiction, Englishman Colin Ware is familiar with the tradition of transcending disastrous love affairs by booking the next ocean liner to Europe. Now that he has experienced the pain and humiliation of heartache firsthand, he decides to try this cure in reverse. New Cardiff, Vermont, may be an infinitesimal blot on the rural American landscape, but to Colin it's the ideal place to mend his broken heart. The townsfolk are a quirky, endearing lot, and they welcome the migrating artist into their fold. Colin does his part by capturing his adopted countrymen and women in charcoal and ink. He even discovers love again -- with Mandy, an attendant at the Shining Shores nursing home. When Colin's ex arrives to woo him back to her and his native land, he has to choose between his new love and the woman he's known for years. With its pitch-perfect dialogue, *New Cardiff* takes readers on the exhilarating cross-cultural odyssey of a man hurtling headlong into life.

In Praise of Older Women Sep 25 2020 "A cool, comic survey of the sexual education of a young Hungarian, from his first encounter, as a twelve-year-old refugee with the American forces, to his unsatisfactory liaison with a reporter's wife in Canada at the belated end of his youth, when he was twenty-three . . . elegantly erotic, with masses of that indefinable quality, style . . . this has the real stuff of immortality."—B. A. Young, *Punch* "A pleasure. Vizinczey writes of women beautifully, with sympathy, tact and delight, and he writes about sex with more lucidity and grace than most writers ever acquire."—Larry McMurtry, *Houston Post* "Like James Joyce, who was as far from being a writer of erotica as Dostoevsky, Vizinczey has a refreshing message to deliver: Life is not about sex, sex is about life."—John Podhoretz, *Washington Times* "The gracefully written story of a young man growing up among older women . . . although

some passages may well arouse the reader, this novel brims with what the courts have termed "redeeming literary merit."—Clarence Petersen, *Chicago Tribune* "A funny novel about sex, or rather (which is rarer) a novel which is funny as well as touching about sex . . . elegant, exact and melodious—has style, presence and individuality."—Isabel Quigly, *Sunday Telegraph* "The delicious adventures of a young Casanova who appreciates maturity while acquiring it himself. In turn naive, sophisticated, arrogant, disarming, the narrator woos his women and his tale wins the reader."—Polly Devlin, *Vogue*

The Graduate. [A Novel.]. Jun 03 2021

Home School Jul 16 2022 Charles Webb's first novel, *The Graduate*, was made into the acclaimed film. Six years ago he moved to the UK and wrote *New Cardiff*. From the Hardcover edition. At the end of Charles Webb's first novel, *The Graduate*, Benjamin Braddock rescues his beloved Elaine from a marriage made not in heaven but in California. It is now eleven years and 3,000 miles later, and the couple live in Westchester County, a suburb of New York City, with their two young sons whom they are educating at home. Through no accident, a continent now stands between them and the boys' surviving grandparent, now known as Nan, but who in former days answered to Mrs. Robinson. As the story opens, the Braddock household is in turmoil as the Westchester School Board attempts to quash the unconventional educational methods the family is practicing. Desperate situations call for desperate remedies — even a cry for help to the mother-in-law from hell, who is only too happy to provide her loving services — but at a price far higher than could be expected. Charles Webb has a knack for pinpointing the horrors and absurdities of domestic life, and *Home School* displays all the precision and wit that made *The Graduate* such a long-lasting success. From the Hardcover edition. "Distinctive, wry, spare and beautifully modulated."—*Daily Telegraph* "Forty years overdue, the sequel to *The Graduate* was worth the wait. A great read."—*The London Paper*

The Governors-General Jan 30 2021 In this remarkable revisionist study, Webb shows that English imperial policy was shaped by a powerful and sustained militaristic, autocratic tradition that openly defined English empire as the imposition of state control by force on dependent people. He describes the entire military connection that found expression in the garrisoned cities of England, Scotland, and Ireland and ultimately in the palisaded plantations of Jamaica, Virginia, and New England. Seduced By Mrs. Robinson Sep 18 2022 An in-depth look at the making of the classic movie and its effect on filmmaking and society. When *The Graduate* premiered in December 1967, its filmmakers had only modest expectations for what seemed to be a small, sexy art-house comedy adapted from an obscure first novel by an eccentric twenty-four-year-old. There was little indication that this offbeat story—a young man just out of college has an affair with one of his parents' friends and then runs off with her daughter—would turn out to be a monster hit, with an extended run in theaters and seven Academy Award nominations. The film catapulted an unknown actor, Dustin Hoffman, to stardom with a role that is now permanently engraved in our collective memory. While turning the word plastics into shorthand for soulless work and a corporate, consumer culture, *The Graduate* sparked a national debate about what was starting to be called "the generation gap." In celebration of the film's fiftieth birthday, author Beverly Gray offers a smart close reading of the film as well as vivid, never-before-revealed details from behind the scenes of the production—including all the behind-the-scenes drama and decision-making. For movie buffs and pop culture fanatics, *Seduced by Mrs. Robinson* illuminates *The Graduate's* huge influence on the future of filmmaking. And it explores how this unconventional movie rocked the late-sixties world, both reflecting and changing the era's views of sex, work, and marriage. An Amazon Best Book of the Month "[Gray] writes smartly and insightfully. . . . The book . . . offers a fascinating look at how this movie tells a timeless story." —*The Washington Post*

Pitch Perfect (movie tie-in) Dec 17 2019 A musical tale of collegiate a cappella filled of high notes, high drama, and high jinks that inspired the hit films *Pitch Perfect* and *Pitch Perfect 2*. Get ready to be pitch slapped. The roots of unaccompanied vocal music stretch all the way back to Gregorian chants of the Middle Ages, and collegiate a cappella is over a century old. But what was once largely an Ivy League phenomenon has, in the past twenty years, exploded. And it's not what you think. Though the blue blazers and khakis may remain, a cappella groups at colleges across the country have become downright funky. In *Pitch Perfect*, journalist Mickey Rapkin follows a season in a cappella through all its twists and turns, covering the breathtaking displays of vocal talent, the groupies (yes, there are a cappella groupies), the rock-star partying, and all the bitter rivalries. Rapkin brings you into the world of collegiate a cappella characters—from movie-star looks and celebrity-size egos to a troubled new singer with the megawatt voice. Including encounters with a cappella alums like John Legend and Diane Sawyer and fans from Prince to presidents, Rapkin shows that a cappella isn't for the faint of heart—or lungs. Sure to strike a chord with fans of *Glee* and *The Sing-Off*, this raucous story of a cappella rock stars shows that sometimes, to get that perfect harmony, you have to embrace a little discord.

Real Phonies May 14 2022 Abigail Cheever examines the ways in which social influence was thought to deform individuals in midcentury American culture. *Real Phonies* examines the twinned phenomena of phoniness and authenticity—beginning with adolescents in the 1950s like Holly Golightly and Holden Caulfield, and ending with mid-career professionals in the 1990s, like sports agent Jerry Maguire.

Different Seasons Jan 18 2020 Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie *Stand By Me*. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.

A Million MFAs Are Not Enough Apr 13 2022 Something is rotten in the state of American poetry. With respect to audience and artistry, poetry has shot itself in many portions of its anatomy, and keeps blasting. The fact that vast numbers of poems are published every year, and a large number of Creative Writing students and graduates combine to read a few of them, does not mean that poetry is on the right track. How has the erstwhile Queen of the Arts been consigned to the tiny corner of the cultural basement where she languishes today--and how can she get out? As an acclaimed poet and veteran teacher of poetry, Charles Harper Webb knows what it takes for a poem to grab a reader's attention and hold on. As a former rock singer/guitarist and a licensed psychotherapist, he understands how to connect with an audience. *A Million MFAs Are Not Enough* shows--with wit and style and concrete tips that working writers can use--how poetry can return to cultural relevance again.

The Graduate Dec 21 2022 The basis for Mike Nichols' acclaimed 1967 film starring Dustin Hoffman -- and for successful stage productions in London and on Broadway -- this classic novel about a naive college graduate adrift in the shifting social and sexual mores of the 1960s captures with hilarity and insight the alienation of youth and the disillusionment of an era. The Graduate When Benjamin Braddock graduates from a small Eastern college and moves home to his parents' house, everyone wants to know what he's going to do with his life. Embittered by the emptiness of his college education and indifferent to his grim prospects -- grad school? a career in plastics? -- Benjamin falls haplessly into an affair with Mrs. Robinson, the relentlessly seductive wife of his father's business partner. It's only when beautiful coed Elaine Robinson comes home to visit her parents that Benjamin, now smitten, thinks he might have found some kind of direction in his life. Unfortunately for Benjamin, Mrs. Robinson plays the

role of protective mother as well as she does the one of mistress. A wondrously fierce and absurd battle of wills ensues, with love and idealism triumphing over the forces of corruption and conformity.

Anne Bancroft Aug 05 2021 "Mrs. Robinson, you're trying to seduce me. Aren't you?" These famous lines from *The Graduate* (1967) would forever link Anne Bancroft (1931--2005) to the groundbreaking film and confirm her status as a movie icon. Along with her portrayal of Annie Sullivan in the stage and film drama *The Miracle Worker*, this role was a highlight of a career that spanned a half-century and brought Bancroft an Oscar, two Tonys, and two Emmy awards. In the first biography to cover the entire scope of Bancroft's life and career, Douglass K. Daniel brings together interviews with dozens of her friends and colleagues, never-before-published family photos, and material from film and theater archives to present a portrait of an artist who raised the standards of acting for all those who followed. Daniel reveals how, from a young age, Bancroft was committed to challenging herself and strengthening her craft. Her talent (and good timing) led to a breakthrough role in *Two for the Seesaw*, which made her a Broadway star overnight. The role of Helen Keller's devoted teacher in the stage version of *The Miracle Worker* would follow, and Bancroft also starred in the movie adaptation of the play, which earned her an Academy Award. She went on to appear in dozens of film, theater, and television productions, including several movies directed or produced by her husband, Mel Brooks. *Anne Bancroft: A Life* offers new insights into the life and career of a determined actress who left an indelible mark on the film industry while remaining true to her art.

Holy Barbarians Oct 15 2019 Mr. Lipton's book is the first complete and unbiased survey of the beat generation and its role in our society. Here are the intimate facts about these people and their attitudes toward sex, dope, jazz, art, religion, parents, landlords, employers, politicians, draft boards, the law and, most important, toward the "square". The author presents a picture of their way of life, their individual backgrounds, the language they have appropriated, in terms made clear for the first time to those of us who have been confused and puzzled about them. He also provides a balanced discussion of their literature, art and music, of what they produce and fail to produce in the arts they practice.—Print Ed.

Pages for You Dec 09 2021 A wry, tender novel of sexual and intellectual

awakening. Something made her risk a look at the reader, who took a sip of black coffee. And another. She turned the pages. She pursed her lips. Flannery abandoned her breakfast and watched the woman drink her coffee. It wasn't that she wanted the coffee herself. That wasn't it. Rather, she wanted to be the coffee: she envied the dark drink its chance to taste those lips. In a steam-filled diner in a college town, Flannery Jansen catches sight of something more beautiful than she's ever seen: a graduate student, reading. Flannery, a seventeen-year-old, new to everything around her -- college, the East Coast, bodies of literature, and the sexual flurries of student life -- is shocked by her own desire to follow this beauty wherever it takes her. By chance she finds herself enrolled in a class taught by the remote, brilliant older woman; intimidated at first, she gradually becomes Anne Arden's student outside class as well. Whatever the subject -- Baudelaire, lipstick colors -- Flannery proves an eager pupil, until one day she learns more about Anne than she ever wanted to know. A bittersweet, exhilarating, sentimental education, *Pages for You* confirms Sylvia Brownrigg as "one of the most exuberantly agile minds among younger American writers" (Dan Cryer, *Newsday*) and is her sexiest, most poignant work to date.
