*It Came from Ohio* Sep 19 2022 Turn on a night light, lock your door, and close the window blinds . . . Join investigative reporter James Renner as he looks into 13 tales of mysterious, creepy, and unexplained events in the Buckeye State, including: - The giant, spark-emitting Loveland Frog - The bloodthirsty Melon Heads of Kirtland - The lumber-wielding Werewolf of Defiance - The Mothman of the Ohio River - The UFO that inspired "Close Encounters of the Third Kind" - and more!

*Monsters of Ohio* Aug 06 2021 A large, black, prehistoric serpent that makes its home in Lake Erie. A titanic hairy humanoid with glowing orange eyes who spies on any teenagers brave enough to park near its lovers' lane home. A giant owl the size of a tree so adept at camouflage it can practically disappear. A nocturnal race of tiny, melon-headed feral humans who roam the woods looking for victims to feast on. These are but some of the creatures of cryptozoology, folklore and urban legend that readers will meet in the pages of *Monsters of Ohio*, the first book of its kind to completely chronicle the state's population of mystery animals and the stories told about them. In

addition to thirteen Buckeye State monsters—from infamous ones like The Lake Erie Monster, The Loveland Frogs and The Grassman, to lesser-known local legends like The Crosswick Monster, Bighoot and The Defiance Wolfman—the book also includes a parade of mysterious creatures that were only sighted once before disappearing...if, of course, they were ever really there at all. J.C. Raphael was born in Ashtabula, Ohio. He earned a bachelor's degree in English from Gannon University in Erie, Pennsylvania. He began freelance writing at age 17 with a film review of Mary Shelley's *Frankenstein* for *The Plain Dealer*, and has continued writing reviews of stuff ever since. He worked as a staff writer for a small suburban newspaper and as a writer and editor for a small, independent altweekly in Columbus, Ohio. He now works as a public library clerk and freelance writer. He lives in Mentor, Ohio.

*The World According to Colour* Feb 12 2022 A beguiling cultural history of colour by the BAFTA nominated broadcaster and art historian James Fox  
'This book is a triumph. James Fox's passionate and illuminating exploration

of the extraordinary relationship we have with colour is itself extraordinary. It is an intellectual feast as well as a visual one - a true biography of colour which will delight readers.' Edmund de Waal, author of *The Hare with Amber Eyes* The subject of this book is humankind's extraordinary relationship with colour. It is composed of a series of voyages, ranging across the world and throughout history, which reveal the meanings that have been attached to the colours we see around us and the ways these have shaped our culture and imagination. It takes seven primary colours - black, red, yellow, blue, white, purple and green - and uncovers behind each a root idea, based on visual resemblances or properties so rudimentary as to be common to all societies. The book traces these meanings to show how they changed and multiplied, the role that they have played in our culture and history, and how understanding them allows us to see many of the milestones in the history of art - from Bronze Age gold-work to Turner, Titian to Yves Klein - in a new way. It proceeds by stories, which cumulatively tell another, larger one: a history of the world from the black nothing which preceded existence to the birth of our red-blooded species; the gilded gods who animated the world in antiquity to the blue horizons which framed the Age of Discovery; the pristine aspirations of Enlightenment, the technicolour innovation which fuelled the Industrial Revolution and the colour which most embodies the environmental crisis which now faces us.

Jennifer Egan's spellbinding novel circles the lives of Bennie Salazar, an ageing former punk rocker and record executive, and Sasha, the troubled young woman he employs. We first meet Sasha in her mid-thirties, on her therapist's couch in New York City, confronting her longstanding compulsion to steal. We meet Bennie at the melancholy nadir of his adult life - divorced, struggling to connect with his nine-year-old son, listening to a washed-up band in the basement of a suburban house. Although Bennie and Sasha never discover each other's pasts, the reader does, in intimate detail, along with the secret lives of a host of other characters whose paths intersect with theirs, over many years, in many places. With music pulsing on every page, this is a

startling, exhilarating novel of self-destruction and redemption. Breathtaking work from one of our boldest writers. 'Irresistible. Fiction of the highest quality' Sunday Times 'Egan's precise, calm underwater prose is a persistent pleasure' Daily Telegraph 'Stories that defy narrative convention' Financial Times 'A must-read' Sunday Times

A scientific experiment has gone awry, and a small group of people now remember each other's lives. And when one of those people's lives involved access to the most secret and dangerous information in the world, everything will change.

L'Uomo di Primrose Lane Nov 09 2021 Hai mai l'impressione, quando incontri qualcuno, che la tua vita stia per prendere una strana deviazione che forse faresti meglio a evitare? Tra *Lost* e il miglior Stephen King, uno degli esordi piú originali degli ultimi anni: un folgorante incrocio di generi che appassiona come un romanzo di avventura e spaventa come un film horror, ma ha il profumo e la dolcezza delle grandi storie d'amore. \*\*\* «Era noto perlopiú come l'Uomo di Primrose Lane, anche se a volte i vicini, parlandone alle feste, lo chiamavano eremita, recluso, svitato. Per l'agente di pattuglia Tom Sackett era sempre stato l'Uomo dai mille guanti, dalla bizzarra abitudine di portare guanti di lana anche in pieno luglio». James Renner, *L'Uomo di Primrose Lane*

**The Sleepwalkers** May 03 2021 The pacy, sensitive and formidably argued history of the causes of the First World War, from acclaimed historian and author Christopher Clark SUNDAY TIMES and INDEPENDENT BOOKS OF THE YEAR 2012 The moments that it took Gavrilo Princip to step forward to the stalled car and shoot dead Franz Ferdinand and his wife were perhaps the most fateful of the modern era. An act of terrorism of staggering efficiency, it fulfilled its every aim: it would liberate Bosnia from Habsburg rule and it created a powerful new Serbia, but it also brought down four great empires, killed millions of men and destroyed a civilization. What made a seemingly prosperous and complacent Europe so vulnerable to the impact of this assassination? In *The Sleepwalkers* Christopher Clark retells the story of the outbreak of the First World War and its causes. Above all, it shows how the failure to understand the seriousness of the chaotic, near genocidal fighting in the Balkans would drag Europe into catastrophe. Reviews: 'Formidable ... one of the most impressive and stimulating studies of the period ever published' Max Hastings, Sunday Times 'Easily the best book ever written on the subject ... A work of rare beauty that combines meticulous research with sensitive analysis and elegant prose. The enormous weight of its quality inspires amazement and awe ... Academics should take note: Good history can still be a good story' Washington Post 'A lovingly researched work of the highest scholarship. It is hard to believe we will ever see a better narrative of what was perhaps the biggest collective blunder in the history of international

relations' Niall Ferguson '[Reading The Sleepwalkers], it is as if a light had been turned on a half-darkened stage of shadowy characters cursing among themselves without reason ... [Clark] demolishes the standard view ... The brilliance of Clark's far-reaching history is that we are able to discern how the past was genuinely prologue ... In conception, steely scholarship and piercing insights, his book is a masterpiece' Harold Evans, New York Times Book Review 'Impeccably researched, provocatively argued and elegantly written ... a model of scholarship' Sunday Times Books of the Year 'Superb ... effectively consigns the old historical consensus to the bin ... It's not often that one has the privilege of reading a book that reforges our understanding of one of the seminal events of world history' Mail Online 'A monumental new volume ... Revelatory, even revolutionary ... Clark has done a masterful job explaining the inexplicable' Boston Globe 'Superb ... One of the great mysteries of history is how Europe's great powers could have stumbled into World War I ... This is the single best book I have read on this important topic' Fareed Zakaria 'A meticulously researched, superbly organized, and handsomely written account Military History Clark is a masterly historian ... His account vividly reconstructs key decision points while deftly sketching the context driving them ... A magisterial work' Wall Street Journal About the author: Christopher Clark is Professor of Modern History at the University of Cambridge and a Fellow of St Catharine's College. He is the author of The Politics of Conversion, Kaiser Wilhelm II and Iron Kingdom. Widely praised around the world, Iron Kingdom became a major bestseller. He has been awarded the Officer's Cross of the Order of Merit of the Federal Republic of Germany.

**Light from Other Stars** Jul 25 2020 A Long Island Reads 2020 Selection \* A Real Simple Best Book of 2019 From the bestselling author of The Book of Speculation, a “tender and ambitious” (Vulture) novel about time, loss, and the wonders of the universe. Eleven-year-old Nedda Papas is obsessed with becoming an astronaut. In 1986 in Easter, a small Florida Space Coast town, her dreams seem almost within reach--if she can just grow up fast enough. Theo, the scientist father she idolizes, is consumed by his own obsessions. Laid off from his job at NASA and still reeling from the loss of Nedda's newborn brother several years before, Theo turns to the dangerous dream of

extending his daughter's childhood just a little longer. The result is an invention that alters the fabric of time. Decades later, Nedda has achieved her long-held dream and is traveling aboard the space ship Chawla, part of a small group hoping to colonize a distant planet. But as she floats in zero gravity, far from earth, she and her crewmates face a serious crisis. Nedda may hold the key to the solution, if she can come to terms with her past and the future that awaits her. For fans of *The Age of Miracles* and *The Immortalists*, Erika Swyler's *Light from Other Stars* is a masterful and ambitious novel about fathers and daughters, women and the forces that hold them back, and the true meaning of progress.

**Norco '80** Jul 05 2021 5 young men. 32 destroyed police vehicles. 1 spectacular bank robbery. This “cinematic” true crime story transports readers to the scene of one of the most shocking bank heists in U.S. history—a crime that’s almost too wild to be real (*The New York Times Book Review*). *Norco '80* tells the story of how five heavily armed young men—led by an apocalyptic born-again Christian—attempted a bank robbery that turned into one of the most violent criminal events in U.S. history, forever changing the face of American law enforcement. Part action thriller and part courtroom drama, this Edgar Award finalist for Best Fact Crime transports the reader back to the Southern California of the 1970s, an era of predatory evangelical gurus, doomsday predictions, megachurches, and soaring crime rates, with the threat of nuclear obliteration looming over it all. In this riveting true story, a group of landscapers transforms into a murderous gang of bank robbers armed to the teeth with military-grade weapons. Their desperate getaway turns the surrounding towns into war zones. And when it’s over, three are dead and close to twenty wounded; a police helicopter has been forced down from the sky, and thirty-two police vehicles have been completely demolished by thousands of rounds of ammo. The resulting trial shakes the community to the core, raising many issues that continue to plague society today: from the epidemic of post-traumatic stress disorder within law enforcement to religious extremism and the militarization of local police forces.

Only his father knows better. Now, on the last night of summer, Neil returns in search of revenge. *INTERVAL* by Norman Prentiss Flight 1137 from St. Louis by way of Nashville has gone missing. As anxious friends and family gather around the gate, a ticket clerk finds herself eyewitness to a moment of inhuman evil. *IF THESE WALLS COULD TALK* by Shawntelle Madison Eleanor has come from New York City to prep an old Victorian house in Maine for America's Mysterious Hotspots. Although she's always thrown herself into her work, this job will take her places she's never dreamed of going. *THE NIGHT HIDER* by Graham Masterton C. S. Lewis wrote about a portal that led to a world of magic and enchantment. But the wardrobe in Dawn's room holds only death—until she solves its grisly mystery. *WHATEVER* by Richard Christian Matheson A 1970s rock 'n' roll band that never was—in a world that is clearly our own . . . but perhaps isn't, not anymore . . . or, at least, not yet—takes one hell of a trip. Praise for *Dark Screams: Volume Two* “*Dark Screams: Volume Two* [is] a worthwhile read and a great entry to this series. If this upward trend in quality continues, we are sure to see amazing things in the volumes to come.”—LitReactor “[Brian James Freeman] and Richard Chizmar set themselves a high standard with the first volume, and it's good to see that they have maintained that level of excellence. . . . If you like good, solid horror, check it out. I've found some new authors to read.”—Adventures Fantastic “Five fun-to-read stories by top-notch horror scribes. How can you lose? The answer: you can't.”—Atomic Fangirl “Once I started this book, I didn't want to read anything else.”—Carole's Random Life

Little, Crazy Children Aug 26 2020 In this riveting work of investigative journalism, the author of True Crime Addict and host of “True Crime This Week,” James Renner, explores the tragic unsolved 1990 murder of Lisa Pruett in the privileged enclave of Shaker Heights, Ohio, its troubling aftershocks, and the dark secrets teens tell—and keep. TWIN PEAKS meets THE CRUCIBLE in 1990s Shaker Heights, the setting of LITTLE FIRES EVERYWHERE. In September of 1990, in the Cleveland suburb of Shaker Heights, sixteen-year-old Lisa Pruett, a poetry lover and member of a church youth group, was on her way to a midnight tryst with her boyfriend, when she was viciously stabbed to death only thirty feet from the boy’s home. The murder cast a palpable gloom over the upscale community and sparked accusations, theories, and rumors among Lisa’s friends and peers. Together they wove a damning narrative that circled back to a likely suspect: “weird” high school outcast Kevin Young. Without a shred of evidence the teen was arrested, charged, and tried for the crime. His eventual acquittal didn’t squelch the anger and outrage among those who believed that Kevin got away with murder. With a fresh perspective and painstaking research culled from police files, court records, transcripts, uncollected evidence, and new interviews, James Renner reconstructs the events leading up to and following that heartbreaking night. What emerges is a portrait of a community seething with dark undercurrents—its single-minded authorities, protective status-conscious parents, and the deeply peer-pressured teens within Lisa’s circle. Who had the capacity for such unchecked violence? What monsters still lurk in the dark? After more than thirty years, questions like these continue to fester among the community of Shaker Heights, Ohio, still deeply scarred by wounds that remain hidden, unspoken, and unhealed.

**The Great Forgetting** Nov 21 2022 FORGET HISTORY (ESPECIALLY 2016). READ THE LATEST GENRE-BENDING NOVEL FROM THE AUTHOR OF THE MAN FROM PRIMROSE LANE. When history teacher Jack Felter gets a call that his father, a retired pilot suffering from dementia, is quickly losing his last, precious memories, he reluctantly returns to bucolic Franklin Mills, Ohio. It's been years since he's been home. Jack has been trying to forget about Franklin Mills ever since Sam, the girl he fell in love with, ran off with his best friend, Tony. But Tony is gone, now. Vanished. Everyone assumes the worst. Soon Jack is pulled into the search for Tony, but the only one who seems to know anything is Tony's last patient, a paranoid boy named Cole. As Cole pulls Jack into his web of conspiracy theories, the two of them team up to follow Tony's trail—and maybe even save the world.

On the Road Oct 08 2021 'Everything you would expect of a James Naughtie book - droll, absorbing and wonderfully perceptive.' Bill Bryson 'A revealing and at times spellbinding tapestry of a nation...It is thought-provoking, constantly surprising and hugely entertaining. Sublime stuff.' Michael Simkins, Mail on Sunday 'An insightful account of living through momentous times...much to enjoy in Naughtie's astute memoir.' Martin Chilton, Independent James Naughtie, the acclaimed author and BBC broadcaster, now brings his unique and inquisitive eye to the country that has fascinated him and drawn him across the Atlantic for half a century. In looking at America, from Presidents Nixon through to Biden, he tells the story of a country that is grappling with a dream. What has it come to mean in the new century, and who do Americans now think they are? Drawing on his travels and encounters over forty years in the 'Land of the Free', On The Road is filled with anecdotes, memories, tears and laughter reflecting Naughtie's characteristic warmth and enthusiasm in encountering the America of Washington, of

Broadway, of the small town and the plains. As a student, Naughtie watched the fall of President Richard Nixon in 1974, and subsequently as a journalist followed the story of the country – its politicians, artists, wheeler-dealers and the people who make it what it is, in the New York melting pot or the western deserts. This is a story filled with encounters, for example with the people he has watched on every presidential campaign from the late 1970s to the victory of Joe Biden in 2020. This edition is fully updated to include Naughtie's fascinating insights on the controversial presidential election battle in 2020 between Donald Trump and Joe Biden.

**The Serial Killer's Apprentice** Jul 17 2022 An investigative journalist confronts 13 of Northeast Ohio's most intriguing unsolved crimes and attempts to crack open dark secrets that have baffled Clevelanders for years, including: • Abduction—In 2003, sixteen-year-old Georgina DeJesus disappeared on a West Side street corner, almost exactly one year after teenager Amanda Berry vanished just blocks away. • Stolen Identity—Joseph Newton Chandler of Eastlake was not who he claimed to be. Some think he was the Zodiac killer; others say he was D.B. Cooper, or even Jim Morrison. • Suicide or murder?—Joseph Kupchik hid gambling problems from friends and family until he was found at the bottom of a nine-story parking deck in downtown Cleveland—with multiple stab wounds. • Heist—In 1969, Lakewood bank employee Ted Conrad nabbed \$215,000 from the vault one day after his twentieth birthday. The FBI still shows up at his high school reunions. • Controversy—Jeffrey Krotine was thrice tried for the grisly 2003 murder of his wife and ultimately acquitted, to the frustration of Cuyahoga County prosecutors, detectives, and even jurors. These stories venture into dark alleys and seedy strip clubs, as well as comfortable suburbs and cozy small towns, where some of the region's most horrendous crimes have occurred. Renner's unblinking eye for detail and unwavering search for the truth make this book a gripping read.

*Roseneath* Jun 16 2022 Georgia Pritchard's dream house has a dead child in the attic and a monster in the basement but she can't tell her husband because she's not sure it's really him anymore.

**The Women of Rothschild** Mar 01 2021 'Captivating, intimate, dazzling epic and revelatory' SIMON SEBAG-MONTEFIORE The story of the family

who rose from the Frankfurt ghetto to become synonymous with wealth and power has been much mythologized. Yet half the Rothschilds, the women, remain virtually unknown. From the East End of London to the Eastern seaboard of the United States, from Spitalfields to Scottish castles, from Bletchley Park to Buchenwald, and from the Vatican to Palestine, Natalie Livingstone follows the extraordinary lives of the English branch of the Rothschild women from the dawn of the nineteenth century to the early years of the twenty first. As Jews in a Christian society and women in a deeply patriarchal family, they were outsiders. Determined to challenge and subvert expectations, they supported each other, building on the legacies of their mothers and aunts. They became influential hostesses and talented diplomats, choreographing electoral campaigns, advising prime ministers, advocating for social reform and trading on the stock exchange. Misfits and conformists, conservatives and idealists, performers and introverts, they mixed with Rossini and Mendelssohn, Disraeli, Gladstone and Chaim Weizmann, amphetamine-dealers, temperance campaigners, Queen Victoria, and Albert Einstein. They broke code, played a pioneering role in the environmental movement, scandalised the world of women's tennis by introducing the overarm serve and drag-raced with Miles Davies in Manhattan. Absorbing and compulsive *THE WOMEN OF ROTHSCHILD* gives voice to the complicated, privileged and gifted women whose vision and tenacity shaped history.

*Doc Holliday* Nov 16 2019 "You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday." -Publishers Weekly "An engagingly written, persuasively argued, solidly documented work of scholarship that will surely take its place in the literature of the Old West." -Booklist In *Doc Holliday: The Life and Legend*, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West, drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. Doc Holliday was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his

own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes. With lively details of Holliday's spirited exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one of the most mysterious figures of frontier history.

*Social Psychological Foundations of Health and Illness* Sep 07 2021 Social Psychological Foundations of Health and Illness is a summary of current research in social-health psychology. Includes state-of-the-art descriptions of new findings and theories concerning social aspects of physical health and illness. Discusses virtually all of the major topics studied in the contemporary field of social-health psychology. Contains chapters written by leading figures in the field that discuss their own research within the context of classic efforts.

**Land of Cockaigne** Dec 18 2019 A novel written as a sharp parable of American society, addressing love, purpose, discrimination, and poverty. In Jeffrey Lewis's novel of the same name, the Land of Cockaigne, once an old medieval peasants' vision of a sensual paradise on earth, is reimaged as a plot on the coast of Maine. In efforts to assuage their grief over their son's death and to make meaning of his life, Walter Rath and Catherine Gray build what they hope will be a version of paradise for a group of young men from the Bronx. As Walter and Catherine work to reinvent this land, formerly a summer resort, the surrounding town of Sneeds Harbor proves resistant. The residents' well-meaning doubts lead to well-hidden threats, and the Raths' marriage unravels as Walter loses faith in democracy. Meanwhile, the Bronx boys, who had only ever known the city, try to navigate this new land that is completely alien to them. Written as a parable of contemporary American society, Land of Cockaigne is by turns furious, funny, subversive, tragic, and horrifying. Faced with the question of what to do amid disastrous times, Walter Rath offers a clue: Love is an action, not a feeling. Once you go down this path of faith, there is much to be done.

**Get Rich Quick** Jun 23 2020 Meet Billy Glasheen, a fresh voice in crime fiction. It's Sydney, the 1950s, and Billy's trying to make a living, any way

he can. Luckily, he's a likeable guy, with a gift for masterminding elaborate scenarios—whether it's a gambling scam, transporting a fortune in stolen jewels, or keeping the wheels greased during a hair-raising tour by Little Richard and his rock 'n' roll entourage. But trouble follows close behind—because Billy's schemes always seem to interfere with the plans of Sydney's big players, an unholy trinity of crooks, bent cops, and politicians on the make. Suddenly he's in the frame for murder, and on the run from the police, who'll happily send him down for it. Billy's no sleuth, but there's nowhere to turn for help. To prove it wasn't him, he'll have to find the real killer. Set in Sydney in the period following World War II, Doyle's novels—featuring the irresistible Billy Glasheen—brilliantly explore the criminal underworld, high-level political corruption, and the postwar explosion of sex, drugs, and rock 'n' roll.

I, a Squealer Apr 21 2020 The year was 1965. The Beatles, Elvis Presley, and The Righteous Brothers filled the airwaves. Television shows like "The Adventures of Ozzy and Harriett" and "The Andy Griffith Show" mirrored the innocence of life in the dusty city of Tucson, Az. But the sunbaked desert surrounding Tucson was hiding a sinister secret. A psychopath named Charles Schmid, later nicknamed the "Pied Piper of Tucson" by Life Magazine, would steal that innocence away, along with the lives of three beautiful teenage girls. In this firsthand account written in 1967, Richard Bruns shares the evolution of his friendship with Schmid, the details of getting involved way in over his head, and how he finally summoned the courage to blow the whistle to end the deadly rampage that shocked the nation and changed the city of Tucson forever.

*Dark Matter* May 23 2020 In this world he's woken up to, Jason's life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college physics professor, but a celebrated genius who has achieved something remarkable. Something impossible. Is it this world or the other that's the dream? And even if the home he remembers is real, how can Jason possibly make it back to the family he loves? The answers lie in a journey more wondrous and horrifying than anything he could've imagined - one that will force him to confront the darkest parts of himself even as he battles a terrifying, seemingly unbeatable foe.

*The Secret* Aug 18 2022 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of *THE SECRET*. Are you smart enough? *THE SECRET: A TREASURE HUNT* was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

**True Crime Addict** Oct 20 2022 As seen on the Oxygen mini-series *The Disappearance of Maura Murray* When an eleven year old James Renner fell in love with Amy Mihaljevic, the missing girl seen on posters all over his neighborhood, it was the beginning of a lifelong obsession with true crime. That obsession leads James to a successful career as an investigative journalist. It also gave him PTSD. In 2011, James began researching the strange disappearance of Maura Murray, a UMass student who went missing after wrecking her car in rural New Hampshire in 2004. Over the course of his investigation, he uncovers numerous important and shocking new clues about what may have happened to Maura, but also finds himself in increasingly dangerous situations with little regard for his own well-being. As his quest to find Maura deepens, the case starts taking a toll on his personal life, which begins to spiral out of control. The result is an absorbing dual investigation of the complicated story of the All-American girl who went missing and James's

own equally complicated true crime addiction. James Renner's True Crime Addict is the story of his spellbinding investigation of the missing person's case of Maura Murray, which has taken on a life of its own for armchair sleuths across the web. In the spirit of David Fincher's Zodiac, it is a fascinating look at a case that has eluded authorities and one man's obsessive quest for the answers.

**Ghosts of Plum Run** Jan 19 2020 In love stories & sweeping epic adventure, Ghosts of Plum Run is a new approach to the Civil War - a prequel series to a feature length screenplay about the suicidal charge of the First Minnesota Volunteer Infantry regiment at Gettysburg. Vol. 1 introduces slave runners, immigrants, saloon keepers, a witchy widow, revolutionaries on the run, a boy fleeing the Irish famine, and a little girl destined to become the frontier's finest fiddler. Before their charge on July 2, 1863, the First Minnesota spent all day pondering their fate. Ghosts of Plum Run seeks to put you in their minds, that day, as America stood in the balance along Cemetery Ridge.

*How Tobacco Smoke Causes Disease* Dec 30 2020 This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products.

**The Gone World** Mar 13 2022 The Silence of the Lambs meets Interstellar. The terrifying, thrilling and ingenious science-fiction thriller from Tom Sweterlitsch. Film rights bought by Twentieth Century Fox with Neil Blomkamp (District 9, Elysium) to direct. 'Thrilling . . . [a] dark, page-turning thriller' The Guardian A murdered family. A missing girl. Time is running out... 1997. Shannon Moss of the Naval Criminal Investigative Service is

assigned to solve the murder of a Navy SEAL's family - and to locate the soldier's missing teenage daughter. When Moss discovers that the SEAL was an astronaut aboard the spaceship U.S.S. Libra - a ship assumed lost to the darkest currents of Deep Time - she comes to believe that the SEAL's experience with the future is somehow related to this violence. Determined to find the missing girl and driven by a troubling connection to her own past, Moss must travel forward in time to seek evidence that will uncover the truth. To her horror, the future reveals that it's not only the fate of a family that hinges on her work; for what she witnesses is the Terminus: the terrifying and cataclysmic end of humanity itself. 'Edge-of-your-seat crime fiction that bends both time and mind. Think True Detective meets 12 Monkeys. Throw in the end of the world and you can begin to imagine where this gut-twisting tale will take you. This is cross-genre fiction at its best' Sylvain Neuvel, author of *Sleeping Giants*
